- (a) How many gifts does Steven get? .....
- (b) How many gifts does Jessica get? .....
- (c) How many gifts do Gloria get more than Steven? .....
- (d) Who receives 2 gifts? .....
- (e) Who receives the greatest number of gifts? .....
- (f) Who receives the least number of gifts? .....
- (g) What is the total number of gifts received by the children? .....

2. The chart below shows the number of students arriving late at school.

- (a) How many students arrived late on Thursday ? .....
- (b) How many students arrived late more on Friday than Tuesday? .....
- (c) On which day there was five students late? .....
- (d) Which two days there were same number of students arriving late ?  
..... and .....
- (e) Which day there was the least number of students late ?
- (f) Which day there was the greatest number of students late ? .....
- (g) How many students arrived late during this week ? .....

3. (a)  $135 + 94 = \dots\dots\dots$

H	T	U
1	3	5
+	9	4
<hr/>		
<hr/>		

(b)  $264 + 82 = \dots\dots\dots$

H	T	U
2	6	4
+	8	2
<hr/>		
<hr/>		

(c)  $173 + 66 = \dots\dots\dots$

H	T	U
1	7	3
+	6	6
<hr/>		
<hr/>		

(d)  $156 + 258 = \dots\dots\dots$

H	T	U	
1	5	6	
+	2	5	8
<hr/>			
<hr/>			

(e)  $486 + 259 = \dots\dots\dots$

H	T	U	
4	8	6	
+	2	5	9
<hr/>			
<hr/>			

(f)  $575 + 237 = \dots\dots\dots$

H	T	U	
5	7	5	
+	2	3	7
<hr/>			
<hr/>			

4. (a)  $489 + 243 = \dots\dots\dots$

H	T	U	
4	8	9	
+	2	4	3
<hr/>			
<hr/>			

(b)  $205 + 26 = \dots\dots\dots$

H	T	U
2	0	5
+	2	6
<hr/>		
<hr/>		

(c)  $608 + 47 = \dots\dots\dots$

H	T	U
6	0	8
+	4	7
<hr/>		
<hr/>		

(d)  $507 + 247 = \dots\dots\dots$

H	T	U	
5	0	7	
+	2	4	7
<hr/>			
<hr/>			

(e)  $625 + 309 = \dots\dots\dots$

H	T	U	
6	2	5	
+	3	0	9
<hr/>			
<hr/>			

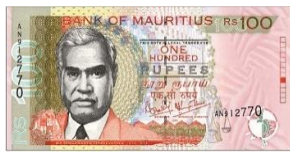

(f)  $409 + 99 = \dots\dots\dots$

H	T	U
4	0	9
+	9	9
<hr/>

## Unit 16 : Money

**Exercise 16.1 :** Fill in the blanks :

1	Coins	Amount
(a)		..... cents
(b)		..... cents
(c)		..... cents
(d)		..... rupees
(e)		..... rupees
(f)		..... rupees
(g)		..... rupees

	Notes	Amount
(a)		..... rupees
(b)		..... rupees
(c)		..... rupees
(d)		..... rupees
(e)		..... rupees
(f)		..... rupees

1 rupee = 100 cents

Rs 1 = 100 c
